### Empanelment of Cashless Network Hospitals

Looking at the emerging trend of Health Insurance, we are pleased to inform that we are in the process of empanelment with Hospitals and Nursing Homes across the country to offer Cashless Hospitalization Services for our valued customers.

Interested providers may place the request for empanelment to [providernetwork@universalsampo.com](mailto:providernetwork@universalsampo.com) Alternatively, providers may get in touch with us at **0120-4672155**

Upon receipt of the empanelment request, the required Empanelment Forms along with the list of supporting documents shall be furnished to the providers.

As a first step towards provider network development process, USGIC requires information regarding respective hospital's facilities, infrastructure and other relevant details as per the Empanelment Form. Providers may fill in the form and mail the same along with necessary Annexures.

Simultaneously, hard copy of the duly signed Forms along with Annexures in a clearly marked envelope should be sent to:

**Provider Network Department**

The empanelment of a hospital as a network provider is governed by advices/requirements as stated above, completion of rest of the process and mutual agreement on terms and conditions of the bipartite agreement to be signed by the concerned parties.*
