Admissibility of Claims - Loss Of Or Damage To The Vehicle Insured

- The principle of indemnity is a basic rule of insurance that says the insurer will only pay for the actual loss suffered by the insured. The insurer will not pay for any loss that is not covered by the policy or for any loss that is not actually suffered by the insured.
- Examples of willful negligence
Reckless driving and driving while impaired by drugs or alcohol can fall under willful negligence, especially in cases of severe impairment. Any driving under the influence of drug / alcohol or any other intoxicant can render the claim to be inadmissible. Other examples include a lack of care while transporting hazardous cargo by driving recklessly or failing to secure those loads properly.

- Neglect of critical vehicle maintenance could face a willful negligence claim. For example, driving on brakes with 10 percent of their pads left and failing to repair them could result in a driver facing a higher negligence degree, like gross or willful negligence.
- Not engaging handbrake in a four wheeler or vehicle equipped with handbrakes driving through inundated streets, not maintaining the vehicle properly and driving with worn out brakes or tyres leaving the keys inside the vehicle or in a place which is not protected
- Motor vehicle accidents involving willful negligence can overlap with product liability. If a car has defective safety equipment, and the manufacturer knew or should have known of its possible impacts, that manufacturer may be held to a willful negligence standard.
- Proximity Check - Close proximity cases: - if the date of loss is within 30 days of commencement of cover, then the claim can be scrutinized before being investigated. However, this is not compulsory to investigate. If there is proof of the damage being old and accumulated the claim can be processed after approval from the approving authority.
- Period – The validity of the Insurance policy will be checked to ensure that the insurance is in force. The system validations are in place to check the period of insurance and not allow any claim to be processed beyond coverage period
- Peril – The cause of loss based on which the claim is made should be covered.
- Property - The Deceased person should be insured under the policy. The Registered Owner Name on RC / Policy / Pan Card / Aadhar Card should match. In case of minor differences, the same needs to be endorsed. If the difference is major, the same would be sent for further deliberation.
- Place – The location of the loss should be covered.
- Insurable Interest - The property insured, and the policy needs to be in the same name and the physical position of the vehicle should remain with the registered owner. However, if physical ownership is changed by entering into some agreement or by transfer where policy is not transferred it is treated as breach of Insurable interest. And the claim can be denied if it breaches the timelines of 15 days from any such transfer of vehicle.
- Verification of Premium Receipt is carried out at Our end. When a Payment is made through cheque or online mode, there is a possibility of return due to various factors including server errors. If the Premium is not received in advance, the policy becomes void. Systems are in place to check this validation.
- Cause of Loss and the sustained damages will be evaluated by the appointed surveyor which will be verified further by Technical Team of Insurer. In case of any mismatch in the same for particular damage or damage in entirety can be denied.
- All relevant document Validity w.r.t Loss date and Loss Time would be verified
- Current damages will be verified with Pre-inspection photos and Previous claim if any. The same will be allowed only for fresh damages and not repeated/old/preexisting. It can be a pro rata settlement as there are existing damages present in the same panel based on indemnity principle.
- Verifying the validity of Previous policy- Claim will be allowed if Previous policy details found valid as per previous insurer records.
- NCB verification, - If no claim is made in previous policy / policies preceding previous year, bonus in terms of discount is provided based on the number of years no claim has been preferred. If any misrepresentation on NCB is made in terms of eligible slab of NCB, the % misrepresented plus 10% will be deducted from claim amount.
- If there is a delay in intimation which leads to deterioration of Vehicle, then the same will be excluded from assessment.
- In Case of any discrepancy the claim may be referred for fact finding / forensic analysis / accident reconstruction etc.

- Claim would not be repudiated in part or full if the breach of warranty or condition is not relevant to the nature or circumstance of loss and on account of any delay on part of policyholder provided the delay does not result in increase in amount of loss

Precaution to be taken with vehicle

1. The vehicle should not be left unattended without proper precautions taken to prevent further loss or damage.
2. The vehicle should not be driven before the necessary repairs are affected, as any extension of the damage or any further damage is not payable under the policy.
3. Driving the vehicle after an under carriage damage and parking the vehicle at places which are not authorized or not frequented by people or vehicles without any precautions will be considered as gross negligence
4. The vehicle should be always parked as mentioned in Owner's Manual provided by Manufacturer. If the vehicle is parked at unguarded and unsecured place regularly will be considered on non-standard basis.
5. Avoid water logging areas. Please follow the safe water level for driving as per owner's Manual.
6. The vehicle should be maintained in roadworthy condition. Brake Pads/Shoes should be replaced before it reaches the limit. Oil changing to be done as prescribed.

9. In case of vehicle being declared Constructive Total Loss/ Total Loss/ Net of Salvage, the same can be shifted to a safe custody till further process.

11. Duplicate keys should not be made as this may cause vulnerability of theft.
12. Duplicate keys should not be with the vehicle.
